

# Marie (Lynch) Peterson

June 4, 1938 - February 10, 2022

Marie Emma Jean Peterson passed peacefully February 10th 2022 at the age of 83. She was reunited with her beloved husband "Archie", whom she missed very much. Mom's life was one you can't roll into a short newspaper clipping and do her justice. She was one of the easiest people you will ever find to talk to, she truly Loved everyone. Mom was born in Fairview, Alberta, Canada, to Robert and Lillian Lynch.

In 1940, Bob Lynch fashioned a makeshift motorhome from an old truck and abandoned Caboose. He loaded up his wife and 1½ year old daughter for the 1,800 mile trip from the Peace River country to Vancouver B.C. To hear mom tell the story, it was winter, they were barefoot and it was up hill all the way. She even had a newspaper article proving it was winter but we were pretty sure they had shoes. Bob, Lillian and baby Marie crossed into the United States where Mom would spend the rest of her life in the Pacific Northwest.

She graduated from Edmonds High School, had numerous jobs downtown and finally met Archie. They were married May 1st 1959. Mom's primary goal in life was homemaker and raising her children. When we were little, mom volunteered for everything she could at school and took pride in baking for every event. She was well known for her Christmas trays of baked goodies which everyone received. Mom also took pride in her gardening, especially those tomatoes!

Mom was preceded in death by her beloved husband Archie and leaves behind her children Bob Peterson (Arianne), Karen Everson (Jeff), Susan Peterson and Kathy Forsling (Kim); Grandchildren Kyle Peterson (Angela), Lacey Carpenter (Tim), and JJ Everson (Kerry) Her Great grandchildren are Avalyn, Archer and Leona.

Mom will be deeply missed and a celebration of life will be held later.
